February 15, 2010

TO OUR CUSTOMERS:

Effective with shipments on and after Monday, **March 15, 2010**, National Gypsum Company and its subsidiary entities will increase prices on Gypsum Wallboard Products as follows:

**20% - Gypsum Wallboard (Entire product line)**

Our pricing has deteriorated throughout the past year to where the present level of wallboard pricing is not sustainable. Complicating this is the very low level of demand and rising raw material costs. We must take steps to turn this around.

Thank you for your continued business and support. If you have any questions, please contact your local National Gypsum Company Sales Representative or Customer Account Specialist.
