Dear Valued Customer,

With continued inflationary pressures being experienced across a range of input costs, Rockfon will be increasing prices in the U.S. & Canada on the following products and systems effective **March 1 2022**, the increase will be applied to all shipments on or after that date:

- **Rockfon Stone Wool Ceiling Products and Systems: +12%**

As always we thank you for your continued support and wish you a successful 2022.

Please contact Rockfon Customer Service or your local Rockfon salesperson with any questions.
