FUEL SURCHARGE BULLETIN

Dear Marlite Customers,

Due to the rapidly escalating cost of fuel, Marlite must pass along our freight company-issued fuel surcharge to any customer receiving delivered pricing.

The fuel surcharge will be implemented beginning Monday July 25, 2022. The fuel surcharge does fluctuate from week to week. Marlite Customer Service can provide fuel surcharge estimates for both LTL and full-truckload shipments, per your freight terms and delivered pricing qualification thresholds.

Sincerely,

A handwritten signature in black ink that reads "Greg Triplett".
