Manufacturer Price Updates

Banner Solutions wants to keep you up to date on the latest price adjustments from our manufacturer partners. To that end, the following manufacturers have announced upcoming price adjustments.

Effective **September 6, 2021**, Dormakaba is announcing the following 5% price increase applied to these product lines:

- BEST
- Precision
- Commercial Hardware
- DORMA
- Sliding & Folding Door Hardware
- Hinges

Notable cost increases have been highlighted for commodities and materials

used to produce Allegion products. This includes steel, brass, aluminum, zinc and multiple electronic components. Allegion is announcing a price increase that will go into effect **October 2, 2021** and supersede all other pricing. The increase percentages are as follows:

- **Residential Hardware Portfolio - 3%**
- **Commercial Hardware Portfolio - 3%**

**These percentages are averages across each brand at the series level and may be higher, lower or no increase for some products within those brands*

D&D Technologies is announcing pricing for only Shut It products which will increase 5%, effective **August 2, 2021**. No other prices are changing at this time.

From helping you identify the just-right solution for any challenge to supporting the products after installation, no other wholesaler delivers with service like Banner Solutions. Please let us know if we can answer any questions on this announcement or help you find the product solutions you need.
