August 23, 2021

Due to the continued increase in costs related to materials, shipping and operations, we will be implementing a **surcharge of 10%, effective September 20th, 2021.**

This surcharge will affect our entire product catalog and will be applied to the current Price List. We are hopeful that a price correction will be realized in the near future and will continue to monitor this situation closely.

[As always, you can find our most recent Price List on ngp.com.](#)

Thank you for your continued support,

***The NGP Team***
