RE: PRICING UPDATE- FRP

Nudo continues to work hard to minimize any increase to the market. Over the past several months, we have seen several increases with raw materials and freight. With this happening, we must now announce our increase of 5% on all FRP products will be moved to 10%. This increase is based around continued raw material increases as well as increased freight.

Effective on all orders **placed on or after May 17<sup>th</sup>, 2021** (for immediate shipment), the **FRP & Groundbreaker** will have 10% increase added. This increase will be reviewed and Nudo will provide any updates to changes in the market. **Laminated FRP Panels** will continue to be quoted per project.
