PRICING BULLETIN

Friday September 3, 2021

Dear Marlite Customers,

Unfortunately, escalating costs of wide-ranging raw materials, supply and demand imbalances and global and domestic transportation challenges continue to impact our business. Marlite is focusing on procurement to ensure our panel products are in good supply, but we can't control these rising costs.

Therefore, Marlite is announcing a 4.5% price increase on the following products:

    Standard FRP Panels
    Artizan™ FRP Panels
    Symmetrix™ and Symmetrix™ SmartSeam FRP Panels
    Induro™ FRP Panels
    FRP Ceiling Panels
    Plank & HDF Panels

The new prices are effective Friday October 1, 2021. Existing prices are effective on all orders place on or before Thursday September 30, 2021 and shipped within normal lead times.

We appreciate your business and look forward to continuing to serve you.

Sincerely,

Greg Triplett
Vice President – Sales & Marketing
