To Our Valued Customers:

The QUIKRETE® Companies remain committed to you, our valued customers, and continues to rise to the challenge of sourcing materials, maintaining staff, and manufacturing quality products. We have done our best serve you despite the uniquely difficult, unprecedented, and constantly changing circumstances triggered by the worldwide pandemic that we face today. Increased demand for raw materials, trucking and fuel have significantly elevated our costs of production and delivery this year.

In order to maintain this high standard of products and service, it is necessary for QUIKRETE® to implement a price increase effective January 1, 2022 for all products. Please reach out to your QUIKRETE® Sales Representative if you have any questions.

QUIKRETE® is indeed grateful for the opportunity to be part of your team. We wish you a joyous holiday season and increased prosperity and success in the coming year.

Best regards,
