Ref: Design Solutions Lead Time Extensions

To Our Customers,

The below listed Design Solutions specialty ceiling products will have longer lead times as detailed below:

- Barz – 12 weeks
- Barz + Brilliant – 12 weeks
- Beamz – 12 weeks
- Illusions – 12 weeks
- Illusions + Glow – 12 weeks
- Colortex Barz – 12 weeks
- Colortex Barz + Brilliance – 12 weeks
- Colortex Barz Direct Mount – 12 weeks
- Colortex Blades – 12 weeks
- Colortex Fins – 12 weeks
- Colortex Radialz – 12 weeks
- Colortex Trimetrix – 12 weeks
- Planx Universal – 12 weeks
- Planx Universal + Illuminance – 12 weeks

Selecting a premium sarante finish will continue to add an additional two weeks to the lead time and orders over 2500 sqft of material will continue to have lead time determined on a case-by-case basis provided by customer service.

We appreciate your support and business; USG continues to experience high demand resulting in lead time delays. USG intention is to provide timeframes/expectations to help you better plan/facilitate your projects and customers.
