To Our Customers:

Due to increasing manufacturing costs, effective with shipments on and after **Monday, June 29**, USG will increase pricing by up to **10%** on the following products:

- **All bead and trim products**, which include all Paper-Faced Bead & Trim and Metal Bead products manufactured by USG, Clinch-On and Phillips.
- **All steel and vinyl products** manufactured by Phillips Manufacturing.

Note: We will continue to honor all valid signed Phillips job quotes with the appropriate escalators.

Please contact your Sales Representative if you have any questions. As always, we thank you for your business and support for USG products.

Sincerely,

A handwritten signature in black ink that reads 'John M. Pappas'.
