NOTICE: Magnum Tool Price Increase - Effective January 1, 2027

Dear Valued Customer,

We sincerely appreciate your continued business and the trust you place in us as your preferred supply partner for material handling and construction supplies.

Since our last price adjustment in May 2025, we have worked diligently to absorb rising costs while maintaining the quality, service, and reliability you expect from us. However, ongoing increases in raw materials, manufacturing, transportation, and operating expenses have made it necessary for us to implement a price increase.

Effective January 1, 2027, the updated pricing will apply to all new orders. The new price list will be provided 30 days prior to the effective date.

Our commitment remains the same: to provide high-quality products, dependable service, and exceptional value to our customers.

We sincerely appreciate your continued partnership. If you have any questions, please contact your Magnum Tool sales representative.

Thank you for your continued business. We look forward to serving you.

Sincerely,

Magnum Tool Team
