

December 3, 2018

To Our Customers:

Effective with shipments on and after Wednesday, January 2nd, 2019, USG will increase its price on Sheetrock® brand **1" liner panels**.

- The increase applies to the following three products:
 - Sheetrock® brand **1" glass-mat liner** panels Mold Tough®
 - Sheetrock® brand **1" Mold Tough®** gypsum liner panels
 - Sheetrock® brand **1" gypsum liner** panels.
- This price increase is necessary to offset significant raw material and freight inflation that have dramatically increased our costs for these specialized products.
- Your sales rep will provide you an updated price list which will be effective January 2nd, 2019.

Please contact your USG sales representative if you have any questions. As always, we thank you for your business and support for USG products.

Sincerely,
